“FORMER SHY GIRL TURNED VISIBILITY ADVOCATE”

Executive TV Producer | CEO The Visibility Broadcasting TV | Visibility Coach

Jane Gardner loves advocating for visibility for mission-driven entrepreneurs whether on the internet or On-Demand Television. She has worked with her husband in their structural engineering home office for the last 22 years and she has come onto the internet to share her wisdom.

In 2016, she used Google Hangouts to do a daily show for a year. From there, she leapt into the new media platform, On Demand Television. She found that producing your own show was the key to gain visibility and get your message out there.

Now she is on a mission to help other entrepreneurs step in front of the camera. She has The Visibility Broadcasting TV Network with 4 TV Channels and she is developing more shows on her network. She loves talking about Visibility and On Demand Television.
